Guidelines for the monthly program:

Fees must be paid on a monthly basis before the 15th of each month. Monthly fee charge is \$20.00 per child.

We only accept **money orders, cashier's checks or credit cards for payments and fees are non-refundable. The Club will not prorate fees due to members wanting to utilize the Club at their discretion. Fees will no longer be prorated.**

Monthly fee is charged whether the member uses the Club one day or for the month.

If payment is not received, a phone call will be made to find out your intentions. If the situation is not resolved the Club will remove your child from the program and place a child from the waiting list to fill the spot.

If you decide to resume participation in the program you may do so once payment is received and only if space is available.

All accounts must be kept current, a \$20.00 late fee will added to all delinquent accounts.
